FULLY AUTOMATIC PLANTS

We are a professionally managed company which specializes in the development, manufacturing and marketing of **Disinfectants, Detergents, Antiseptics, Toiletries, Cosmetics, Hygiene & Home Care Products**. We are in this field **since 1989**. We have the Best quality Assured as compared to any other Brand. Our primary brand is **Suraksha**. Our other brands are **Ultra Sheen, White Marble, Penol Plus, Pine Plus, Power Plus, etc.** Backed by a close-knit distribution network in Punjab, Haryana, Himachal Pradesh, Chandigarh & Jammu and a strong Super Stockist Network in rest of the states of India.

Our Vision

Our vision is unhindered and motivates us to go beyond our goals. We aim to create a reputation for ourselves as the pioneers and innovators in our field.

Our highly qualified and experienced R&D team always looks forward in developing unique and different products, keeping the quality at the topmost priority.

Our Licenses

We manufacture our products under the following licences - **Disinfectant Licenses, Cosmetics Licenses, External Preparation Licenses, etc.**

Plant & Infrastructure

We make optimum use of our High Tech manufacturing unit, to manufacture products in strict conformation with the industry standards. Our unit is well fitted with latest machines that help in performing large scale production. Moreover, to maintain the quality standards, we consistently upgrade these machines and tools to ensure uninterrupted production process. We have the Best in class Infrastructure with a fully automatic plant.

Quality Assurance

We have always worked on our Moto i.e. Quality on Priority for our organization, which is why we have been able to gather a wide clientele from across the nation. To ensure a fault free range, we take stringent quality measures throughout the production process.

Recognition
of quality.
